Or you can draw and colour your own:

# Colour palette worksheet

To paint a picture of the meadow you would need to remember all the colours.

Make your own colour palette by collecting tiny pieces of plants and sticking them on to the palette below.

## REMEMBER NOT TO PICK WHOLE FLOWERS

- See how many colours you can collect.
- Or collect as many different shades of one colour as you can.
- Or arrange the colours like a rainbow.
- See how beautiful you can make it.
- Show your friends.
