

A Really Wild Day Out visit provides:-

- A professional service delivered by experienced Education Officers and trained, checked volunteers.
- Inspiring outdoor settings combined with indoor facilities and specialist equipment.
- A safe environment in which to develop key skills, curriculum work and informal learning.
- Detailed brochures and risk assessments available from each centre.
- Very reasonable rates due to generous sponsorship.

For more details at each Key Stage, please send for the Really Wild Teachers pack from the Cambourne office or contact staff at the centre.

(See address overleaf).

Supporting local wildlife by being a Trust school member is something to be proud of. You will also receive a certificate to display in the reception or foyer area of your school for all visitors to see. All this for just £42 a year

Please ring 01954 713500 or email cambridgeshire@wildlifebcnp.org

Every term you will receive the colourful Wildlife Extra poster that is great for the classroom wall and Watchword magazine, packed with activities for pupils. Teachers will also receive Link magazine that is full of facts, information and inspiration for running environmental education and wildlife themed activities. Plus there is a unique opportunity to set up a Wildlife Watch club in, or after, school with full access to the members only database of activities on our UK website. By setting up a Watch club in school you can also encourage the pupils interested in wildlife, to discover and explore the natural environment.
